Transition Status

- All transitions will be completed by 12/31/2019
- Timeline for transitions will be developed in the coming weeks
- You will be notified when it is time to transition your TSRs
- TSRs should continue to enter time as they have until transition is finalized
- Transition Process
 - Transition requirement will be sent only to the TSR's SRP
 - SRP will submit candidate
 - Hiring manager will review submittal, agree to rates, request engagement
 - CAI will engage TSR in VectorVMS once all compliance items are uploaded
 - TSR will receive an email from VectorVMS with login credentials
 - TSR can enter time under CAI contract in VectorVMS

Req Workflow - Requirement

- Take note of Interview Preference listed on requirement Detail page
- Read all Questions on Skills tab carefully
- Compliance Manager and TSR onboarding requirements
 - Review all onboarding items on the Compliance Manager tab
 - Review Compliance Item descriptions for additional instructions
 - National Criminal Background Check is required (Federal does not meet requirement)
- How to Read VMS Req and Candidate Status
 - Req = Open, Interviews Occurring
 - Candidate = New, Active, Request Info, Schedule Interview, Engagement Requested, Engaged, Rejected

Req Workflow – Candidate Submittal & Selection

- Follow Right to Represent process
- Enter Rates Correctly
 - Pay Rate is what the resource is being paid – no markups included
 - SRP Rate is what you will be paid by CAI (Pay Rate X Proposed Markup)
 - Bill Rate is what Georgia pays CAI (SRP Rate X MSP fee)
- CAI must forward candidates to hiring manager in 3 business days
- Direct any questions to the CAI Contract manager listed on the requirement – do not contact the agency
- CAI will only forward candidates they have screened via a phone call
- Hiring manager will interview candidates and make selection
- CAI will coordinate candidate onboarding with SRP
- CAI will engage candidate in VectorVMS
- Candidate will receive email from VectorVMS with login credentials and can enter time
