Alabama MSP Program Fact Sheet

- NASPO Value Point Master Contract awarded to CAI 11/1/2023.
  - Contract Term: 3 years, with the option to extend up to 3 additional years.

- Program includes both Staff Augmentation (T&M) and SOW services.

- CAI's role is to facilitate the process, while providing AL personnel with the information and resources needed to execute quickly.

- Process Alignment: Our goal is to align our program offerings with AL's existing processes, forming one cohesive, results-driven solution.

- Rate Card: Not-to Exceed (NTE) Rate Card uses Bill Rate/Vendor Rate Model.

- VectorVMS is utilized to facilitate the staff augmentation and project workflow process.

- CAI's Account Management Team(s) screen and shortlist candidates, providing Top 3-5 candidates within 4 business days, with high level of accuracy.

- Supplier Management: The ability to leverage AL's current trusted supplier relationships with additional support from CAI's trusted partners.

- Compliance Management: Compliance adherence built into the process to ensure all suppliers and engagements are contractually compliant to avoid risk.

- **Contact CAI's Help Desks:** CAI.Alabama.Project@cai.io for fixed-price projects OR CAI.Alabama.Help@cai.io for all other contingent workforce needs.
